Year established: 2002

Number of students: 2366

We inspire you to reach for your dreams and succeed now and into the future. We offer quality education as well as university pathway and career planning assistance. Our teaching focuses on you and includes real-world problem solving. We offer excellence programs in Dance, Italian, Basketball, Golf and Rugby Union, as well as extracurricular options of music and robotics. Our Junior Secondary Inspire Academy and PURSUIT programs offer students the opportunity to undertake complex problem-solving and higher order thinking skills in areas of entrepreneurship, global citizenship and STEM.

Our college starts in Prep and finishes in Year 12. We have two campuses – Prep–9 and 10–12.

Our facilities include an auditorium, sports stadiums, performing arts and dance studios.
